Leadership and Entrepreneurial Professions Concentration

The Leadership and Entrepreneurial Professions Concentration guides students who are preparing for entry-level or long-term leadership positions in organizations that promote the optimal development of individuals and families. Students in this concentration may intend to work in organizations as directors, managers, or owners. This concentration includes coursework in finance, management, marketing, public policy, professional communication, and leadership. This concentration is also appropriate for students preparing for careers in legal services, such as lawyers or politicians. Students in this concentration may choose to pursue additional credentials in leadership, business and entrepreneurship.

Students must earn a “C” or higher in concentration courses.
Courses may NOT double count for courses fulfilling AUCC, other HDFS requirements, or a second concentration.

Students must complete a minimum of 15 credits from the course options below for the Leadership and Entrepreneurial Professions Concentration; with at least 9 credits of HDFS prefix courses and 12 credits of upper division.
